Category 1:	Printing Services
Category 2:	Copying Services
Category 3:	Mailing Services
Category 4:	Printed Promotional Products

## Benefits and Cost Savings

Statewide contracts are an easy way to obtain benefits for your organization by leveraging the Commonwealth's buying power, solicitation process, contracting expertise, vendor management and oversight, and the availability of environmentally preferable products.

- The statewide contract includes copy, offset, pre-press and post-press production services, and mail services that cover a broad array of services for printing, copying, mailing and printed promotional products.
- No shipping/freight charges allowed on this contract.
- Use the same Contractor for Repeat Orders: If you have a repeat order (with the exact specifications as a previous order) within eighteen (18) months of previous bid, you may select the Contractor who previously fulfilled the order by submitting that quote directly to that Contractor for completion of the repeat order. Eligible Entities are required to document such purchases in their procurement file. Also, Eligible Entities are strongly encouraged to obtain quotes periodically for repeat orders to assure themselves they are getting the best prices.
- COMMBUYS offers an easy, transparent method of purchasing; both through quoting and direct ordering.
- The contract offers easy to use cost sheets for (Category 2) basic, low volume copying and for 10 popular promotional products (Category 4). Costs for all other items must be done through a quote process.
- Categories 1 and 2 work may include a mail component in addition; all vendors are able to **add** the mailing component to the print or copying services.
- **Strictly mail jobs must only** be placed only with **Category 3** vendors.

NOTE: Contract User Guides are updated regularly. Print copies should be compared against the current version posted on [mass.gov/osd](http://mass.gov/osd).  
Updated: 7.10.18

- Eligible Entities have the latitude to establish bidder eligibility requirements beyond those of the Statewide Contract.

## **2. Category 3 – Mailing Services (Mail Service Providers)**

All Mail Service Provider Contractors provide:

- Automated, customized mailing services of printed materials that will qualify for discounts by the Post Office.
- Contractors have been qualified as full-scale Mail Houses to complete mail service projects and should be considered first when you have projects requiring mail services only or mail services in conjunction with copying or printing orders.

The following are the steps for purchasing these Mail Services:

### **A. Project Preparation**

1. Call Mail Service Provider to discuss your mailing/mail project.
2. Be prepared to discuss and provide information regarding the project:
  - a. Contractor will need Eligible Entity's Name & address database.
  - b. Request consultation re: postal regulations, determination of mail class/type.
  - c. Type of mail piece (letter, laser letter, postcard, self-mailer, newsletter).
  - d. Required time line/ schedule for mailing, including when pieces will be picked-up and/or delivered.
  - e. Contractor prep time requirement for processing including proof/re-proof. (Prep time may vary with each Mail Service Provider).
  - f. Inquire whether postal discounts are available for the mailing.

**B. Request Quote(s): In COMMBUYS process as you would any bid/quote, make sure the supporting information is within an attachment.** Ask for written, detailed, line item quote(s) for all charges associated with mail/production project.

### **C. Next Steps - Things to Remember:**

1. If you are using a bulk mail account, you need to be sure that you have sufficient funds in the account to support the postage costs.
2. If you are not using a bulk mail account, you should give the Mail Service Provider a check made payable to the Postmaster where the mailing is to be mailed (i.e. Postmaster Boston, Postmaster Reading) for the total postage cost for the mailing.
3. If an Eligible Entity requests UPS be utilized for Express Next Day, Second Day Delivery, or Ground Service, the Contractor must agree to utilize the Eligible Entity's Account Number and designate the delivery as outward bound utilizing the current Statewide Contract(#OFF44) or its successor for these services.

### **For MMARS Users Only**

NOTE: Contract User Guides are updated regularly. Print copies should be compared against the current version posted on [mass.gov/osd](http://mass.gov/osd).

(Please note: Eligible Entities that use Commercial Printers to provide mail service should reimburse Commercial Printers that provide postage as a pass-through expense for post-production services using this method of payment also.)
  - C. Contractors payments are processed via (PRC) through invoicing referencing the appropriate (PC) and/or (GAE) document.

- It is **recommended that ALL** vendors should be selected for a quote, however, only a **minimum of 3 are required**. Bidding and awarding should also be completed via COMMBUYS, and should be transparent.

Per **801 CMR 21.00**, Executive Branch Departments must use established statewide contracts for the purchase of commodities and services. Specifically, Executive Departments are required to use OSD's statewide contracts, including designated statewide contracts, if available, for their specific commodity and service needs. (Exceptions will only be permitted with prior written approval from the Assistant Secretary for Operational Services, or designee.)

When contacting a vendor on statewide contract, always reference OFF44 to receive contract pricing.

### Quick Search in COMMBUYS

Log into COMMBUYS, and use the Search box on the COMMBUYS header bar to locate items described on the MBPO or within the vendor catalog line items. Select Contract/Blanket from the drop-down menu.

### How to Purchase From the Contract

- **Solicit quotes and select and purchase quoted item in COMMBUYS**

This COMMBUYS functionality provides a mechanism to easily obtain quotes, as specified by the Contract. The buyer would create a Release Requisition, and then convert it to a Bid. After approval by the buyer approving officer, the bid is then sent to selected vendors to request quotes. Please note quote requirements for OFF44.

For a description of how to complete this purchase in COMMBUYS, visit the [Job Aids for Buyers](#) webpage, and select:

- The *COMMBUYS Purchase Orders* section, and choose the *How to Create a Solicitation Enabled Bid Using a Release Requisition* job aid or one of the quick reference guides.

- **Document items in COMMBUYS that have already been purchased**

This type of contract allows buyers to document a contract purchase in COMMBUYS that already has taken place through a Request for Payment Authorization (RPA) Release Requisition. It also allows MMARS users to easily keep track of spend. NOTE: MMARS and COMMBUYS do not interface –payment request and invoice should be reported in both MMARS and COMMBUYS separately.

For a description of how to complete this purchase in COMMBUYS, visit the [Job Aids for Buyers](#) webpage, and select:

- The COMMBUYS Requisitions section, and choose the *How to Create an RPA Release Requisition* job aid.

### Obtaining Quotes

Contract users should always reference OFF44 when contacting vendors to ensure they are receiving contract pricing. Quotes, not including construction services, should be awarded based on best value.

NOTE: Contract User Guides are updated regularly. Print copies should be compared against the current version posted on [mass.gov/osd](http://mass.gov/osd).
